- **Full Name:** Omid Tadjrobehkar

- **Academic education/affiliation:** Ph.D in Medical bacteriology(Associate Professor)/ Bacteriology and Virology department, Afzalipour school of medicine, Kerman University of Medical Sciences, Kerman, Iran.

- **Electronic address:** o.tadjrobehkar@gmail.com & o.tadjrobehkar@kmu.ac.ir

- **Teaching history:** continuously since 2000 till now.

- **Teaching topics:** Microbiology, General Bacteriology, Medical Bacteriology, Bacterial physiology, Virology, Cellular & Molecular Biology, Research methodology, Pathobiology, IT, Antimicrobials and antibiotics, Bacterial biochemistry,

- **English language Publications:**

- Tadjrobehkar, O. and H. Abdollahi, *Survival and chemotactic behavior of H pylori at different media pH*. Journal of medical sciences, 2004.
- Abdollahi, H. and O. Tadjrobehkar, *The role of different sugars, amino acids and few other substances in chemotaxis directed motility of helicobacter pylori*. Iran J Basic Med Sci, 2012. **15**(3): p. 787-94.
- Tadjrobehkar, O. and H. Abdollahi, *A Novel Reduction Strategy of Clarithromycin Resistance in Helicobacter pylori*. Jundishapur J Microbiol, 2014. **7**(12): p. e13081.
