20 Students

**September
semester of 2023
Short term**

```
graph TD; A["September semester of 2023 Short term"] --> B["Country"]; A --> C["Number"]; A --> D["Degree"]; B --> E["Iraq"]; C --> F["90 Students"]; D --> G["MBBS 90 Students"]
```

The diagram is an organizational chart. At the top is a green box containing the text "September semester of 2023 Short term". A red line connects this box to a horizontal red line. From this horizontal line, three vertical red lines descend to three separate red boxes. The first red box on the left contains the text "Country". The second red box in the middle contains the text "Number". The third red box on the right contains the text "Degree". From the bottom of the "Country" box, a pink line descends to a pink box containing the text "Iraq". From the bottom of the "Number" box, a pink line descends to a pink box containing the text "90 Students". From the bottom of the "Degree" box, a pink line descends to a pink box containing the text "MBBS 90 Students".
